Grade: L2
Cleaning Code:
Introduction Date: 04/01/2023

Material Description: A pure aniline item with a vintage look obtained thanks to the use of oils and waxes. Its unmistakable feature is the pull-up effect that, combined with the natural grain, makes it a rich leather, which acquires personality over time. The use of special fatliquors during the retanning process gives richness, roundness and a warm and enveloping touch.
