# L6665-48

Grade: L7

Cleaning Code:

Introduction Date: 10/01/2024

Material Description: This leather's appeal lies in the combination of its disparate qualities: the firm solid façade of this entirely masculine leather is suddenly met with surprise once its drapery warmth is revealed to the touch. This leather carries within it the heritage and artistry of a highly-experienced tannery. It is genuine and earthy, and the profound color flickers to the surface through its multiple layers of finishing wax.
